Attorney's Report

Update on personnel matters

Engineer's report

The tank cleaning and repair on all tanks was completed on 09/21/23. Aqueous will provide a report in about 30 days,

The bid's for the filter media replacement is scheduled to be opened today at the county office at 11:00 A.M. To discuss and possibly award.

The secondary containment tanks were delivered this week. Technicians will be here to install on 10/16/23. This will correct an item on the DEP Administrative order.

Motion to adjourn.
