

FINAL FLUORIDE PUBLIC NOTICE
IMPORTANT INFORMATION CONCERNING YOUR DRINKING WATER

The PA Department of Environmental Resources has approved the East Dunkard Water Authority's permit to DISCONTINUE the use of fluoride in your water. The last day we will add the fluoride to your water will be October 1, 2018. This notice is to make you aware of this change. If you have specific health concerns, please consult your doctor or dentist.

We will inform the local dentists and doctors in our area of this information. Please inform your dentist of this change. For more information, please contact Plant Manager; Jim Holbert.

Public Supply Identification Number (PWSID) 5300012
